About Me

Apparel Designer with 4 years of experience across high-volume e-commerce and global exports, specializing in Menswear, Womenswear, and Kidswear. Proven expertise in developing commercially successful collections with a strong focus on trend research, design development, fabric and trim selection, fit, and production feasibility. Experienced in end-to-end product development, range planning, vendor coordination, and fast-paced design cycles across diverse brands and categories.

Experience

Feb 2025 – Present
MYNTRA – Design Associate

- Held end-to-end ownership of Kidswear portfolio, managing design strategy across high-volume e-commerce categories from concept development to bulk production.
- Drove significant category growth (400%) through trend-led range planning, fast design execution, and seamless cross-functional collaboration with merchandising, sourcing, and production teams.
- Led design for multiple national and global brands across Kidswear and Women's Wear, including Nautica, French Connection, YK, Sangria, and House of Pataudi, ensuring brand-specific aesthetics, superior fit, commercial relevance, and premium quality standards.
- Played a key role in the execution of House of Pataudi, including the Men's Sportline, managing the complete product lifecycle from concept creation and trend research to tech packs, fit approvals, vendor coordination, and successful market launch.
- Designed commercially viable collections across Kidswear, Women's Wear, and Men's Sportswear, balancing fashion trends, consumer insights, costing, and speed-to-market while maintaining each brand's unique identity.
- Partnered closely with merchandising, sourcing, production, and vendor teams to meet aggressive marketplace launch timelines, improve first-sample approval rates, and ensure on-time product delivery.

Sep 2024 – Jan 2025
VNH – The Naidu Hall | Senior Executive (Freelance Designer-Kids & women's)

- Designed woven apparel collections aligned with brand aesthetics while adapting silhouettes for commercial scalability.
- Managed design execution from concept to production, ensuring quality, fit, and cost efficiency.
- Coordinated with vendors and internal teams to maintain production timelines and fabric consistency.

Jan 2023 – Aug 2024
AMBATTUR CLOTHING LTD – Fashion Designer (Exports)-Women's & Men's

- Designed woven shirts, tops, and lightweight outerwear for global brands including Marks & Spencer, Mango, Banana Republic, Ann Taylor, and Gap, meeting international quality and fit standards.
- Led end-to-end product development from mood boards and concept development to sample reviews and bulk approvals.
- Specialized in woven construction, summer wear, and detailing, ensuring design intent translated accurately into production-ready garments.
- Worked extensively on menswear shirts and casual wear for brands such as Whitestuff, Mango, Marks & Spencer, Old Navy, Gap, and Banana Republic, with focus on fit, fabric performance, and commercial silhouettes.
- Conducted fabric selection, costing alignment, and fit corrections in collaboration with sourcing and production teams.
- Partnered closely with sampling and QA teams, contributing to reduced buyer rejections and improved first-sample approval rates.

Sep 2022 – Jan 2023
TOMMY HILFIGER – Customer Relationship Officer

- Developed strong understanding of men's & women's fit, customer preferences, and premium quality expectations.
- Provided customer insights that supported merchandising and product feedback loops.

INTERNSHIPS

- SUPERDRY – Design Intern (Apr 2022 – May 2022)
- AQUAAB Multi-Designer Store – Design Intern (Sep 2019 – Dec 2019)

Cover Letter

With over 4 years of experience spanning high-volume e-commerce and premium global exports, I bring a strong combination of creative design sensibility and commercial execution to the role.

During my tenure at Myntra, I held end-to-end ownership of the Kidswear and Women's Wear portfolios, where my role extended beyond core design into strategic range planning, consumer trend forecasting, and lifecycle management. By navigating the fast-paced demands of high-volume digital retail and closely collaborating with merchandising and sourcing teams, I contributed to driving significant category growth by 400%. I also served as the lead designer for a diverse brand portfolio spanning these demographics, including **Nautica, French Connection, YK, and Sangria**. In addition, I played a pivotal role in the House of Pataudi Men's Sportsline, managing the complete product lifecycle—from concept development to detailed tech pack creation—while ensuring consistency with the brand's premium identity.

Previously, at Ambattur Clothing Pvt. Ltd., I worked extensively in the export segment, designing woven collections for global brands such as **Marks & Spencer, Mango, Gap, J.Jill, Loft, Old Navy, Banana Republic, and Ann Taylor**. This experience strengthened my expertise in woven garment construction, fabric selection, fit corrections, and adherence to international quality standards, while maintaining cost efficiency and production feasibility.

I am a detail-driven, collaborative designer who thrives in fast-paced environments and enjoys translating market insights into commercially successful products. I would welcome the opportunity to contribute my multi-category experience, technical skills, and passion for growth to your organization.

Thank you for your time and consideration.

Sincerely,
Vaishaly S
